E.4. Discussion/Motion regarding Reducing Parkview Student Transportation for the 2012-2013 School Year – Mr. President, I move to authorize the Superintendent to enforce the mile and a half statutory limit for students at Parkview who are not subject to a dangerous crossing for the 2012-2013 school year given by Julie Troup and seconded by Rebecca Kern.

With both the "Walk to School" Campaign that is part of the Safe Routes to Schools Grant and the threat of reduction of transportation mandates and monies it is timely to require Parkview Students within the mile and a half who do not cross a hazardous road to walk to school, car pool or be transported by parents. We are the only school in the surrounding area that transport within the mile and a half. We do not intend to reduce a

driver at this time, but will put fewer children on each bus in the hopes of improving discipline.
