The Board watched two motivational videos selected by Superintendent Aldridge. Mr. Aldridge explained that the district improvement plan has not been used for the last couple of years and no longer fits what is being done.

The Board discussed the “We believe” statements and district goals. Mrs. Keogel asked all members to express what they would like to see in the district regardless of the cost. Each board member stated what they feel is important in the district.

The Board agreed that more time will be needed to complete the review of the goals and agreed to change the April 1st Committee of the Whole Meeting to another goal setting meeting.
