LaSalle Extended Day

Program Service Guide

Welcome to 21st Century Schools!

The Tazewell County Health Department, in cooperation with District 76, is proud to offer the Extended Day program. This before and after school program is housed on-site at LaSalle School. The program is administered by the Tazewell County Health Department's Community Health Division.

The 21st Century Schools program provides before and after school services in several schools throughout the county. Each program is administered by a coordinator and support staff.

Program components focus on:

- FUN!
- Service Learning
- Positive Mentors
- Cultural Activities
- Life Skills
- Parent Involvement
- Physical Fitness
- Academics

Extended Day Information

This structured child care program is open to all students enrolled and attending LaSalle and Parkview schools. The program is offered each morning and afternoon that school is in session. The daily program includes afternoon snack.

Programming may include small group academic activities, quiet time, crafts, physical activity and supervised play.

The Extended Day program operates on a pre-arranged basis. In order to provide adequate supervision, food, and supplies, parents must complete a weekly attendance schedule and pay for services in advance.

Each Friday, payment and schedule of attendance are due for the following week. Rates are $10.00 for the morning session and $15.00 for the afternoon session.

Early Dismissal Days

On Early Dismissal days, students may stay after school and enjoy special planned activities. The afternoon rate for early dismissal days is $24.00 with snack included.

Full day services may be available on no school days if the minimum attendance requirement is met. The full day rate is $35. Registration flyers for full days will be sent home with students throughout the year.

Enrollment Information

Parents must enroll their child each school year by completing the registration forms located in the Parent Handbook. Handbooks can be obtained from the Site Coordinator, at the school office, or at www.tazewellhealth.org. Students will not be enrolled in the Extended Day program until all required registration paperwork is submitted. Parents will receive a confirmation via email upon your child being enrolled in the program.
