ORDER OF BUSINESS

A. CALL TO ORDER -

B. ROLL CALL -

C. PLEDGE OF ALLEGIANCE

D. COMMITTEE REPORTS

Brad Bennett will facilitate the discussion and present materials.

1. Finance

A report will be given on the tax levy that will be presented to the Board at the December meeting of the Board.

2. Transportation

As stated at last month's meeting, the reductions in the transportation budget projected for next year set the stage for considering the mile and a half boundary for Parkview students next year. The thought would be to transition slowly; reducing the numbers of students on each bus as a means of managing the growing discipline problems on those buses. As drivers retire, new drivers would not be hired and routes would continue to be altered until our goals were met. Stephanie has drafted a proposal for the initial phase of the transportation plan.

3. Buildings & Grounds

Brad will present the result of the Bleacher inspection. He will also update the Committee on the District Office asbestos abatement and renovation plans. Brad will review the snow removal estimates for this year. The District plans to stay with Bourscheidt as his prices remain the lowest.
